

## Enkele korte Engelse uitdrukkingen bij gesprekken en samenwerken

*(Deze uitdrukkingen zijn opgeschreven voor zoon M. die naar een Engels kanokamp ging)*

You shouldn't do that.

I'm against it.

I would like to suggest...(something different)

I doubt it.

Couldn't we try (it) otherwise?

I'm OK/fine, are you OK?

I would like to say something...

It's worth trying.

Let's try it!

I'm (strongly) against it.

There should be another way...

Sorry, I forgot about it...

It's my turn. May I?

Is it my turn already?

Whose turn is it?

You can count on me.

This seems too dangerous.

There should/must be (some) other ways of doing it!

Come on, you can do it, don't give up!

Just one more time!

It's enough! I can't do it/make it!

Why do you guys....(go so slowly/ don't rest a bit (longer)).

Wouldn't it be nice to...

... Yes, it sure is.

I (don't) agree! (If I may say so)

This was really tough!

Couldn't you ask me (that) first?

I can't help being like this.../doing this...

I'm not sure (about it).

I don't think that's the point.

We should think it over.

It's hard for me to .../ it's hard for me too!

I'm happy to do this or that, but...

Yes/no, you are/were; he is/was (completely) right/wrong!

Thank you, it was really helpful.

I'm getting tired of it/of you talking that loud.

You are/he was doing the right thing.

Luckily nothing serious happened!

We should give it another try (let's try again)!

If I may say (so), ...

Hopefully... (they will come back soon)

I doubt...; I've my doubts.

Anyway, this shouldn't happen again.

I'm a little bit concerned...

That doesn't bother me at all.  
A lot of negative comments...  
I'm a 100% sure!  
I'm not going into that!  
That was really fascinating!  
Some real bad/crewel stuff!  
Don't worry about what other people...  
You shouldn't make fun of...  
That was really disappointing  
I didn't mean to ... (be mean to you)  
So sorry, that was unintentionally!  
I'm with you on this point  
Your/his argument is right/wrong  
If that's the case, than...  
I totally (dis)agree with you  
It was such an experience!  
No, it didn't bother me at all.  
No, I'm not in the mood for this.  
I'll have to do this (all) over again  
Don't worry; you need not worry  
Just make up your mind  
I think that's reasonable  
That sounds reasonable (to me)  
I'll take care of him; this will do  
What would you suggest?  
That's a bad proposal  
I like the **idea**  
It couldn't be worse  
Do you need some help?  
I think I can manage  
I'm sure you can, ...you do, ...you shall etc.  
You might have told me that before  
Thank you só much  
Don't mention it  
I can't remember the word  
I have to look it up  
I didn't know what to say  
Neither did I  
Shouldn't we fix it right now?  
I already did it myself  
I'll be back in about 15 minutes, wait for me  
We are, I feel completely worn out  
I/You should get used to it by now  
No leftovers? Incredible  
No, there's nothing left  
This is not a situation I'm happy **with**  
Isn't it awful? Absolutely shocking!  
It wasn't quite as interesting as I thought it would be

This is the limit. I'm speechless. Marvelous. Well done  
Hold on. We're (might be) on the wrong track  
Just a little bit more, please  
More from what?  
Please be quiet; stop it now, please  
That should be enough for now  
Are you getting/feeling better?  
We're all in the same boat!
